## We have added a new category! TRIBES

As mentioned earlier, we have had plenty of teams enter The Amazons Australia so far, but we had some women contact us, who wanted to enter, but they did not quite fit the age categories, they were mothers and daughters, sisters or just friends, so we introduced the Tribes. This will hopefully mean that as long as you are a women over 15+ (accompanied by a female 18+) you will be able to be a part of The Amazons Australia.

**Legends** - Two women over 50\* who are willing to show the younger generations just what fearless means.

**Warriors** - Two women over 30\* who are strong, skilled and up for any type of adventure.

**Princesses** - Two women under 30\* who are tough and resilient, so ready to step up for the adventure.

**Tribes** - Two women - mothers, daughters, sisters or friends who's ages do not fit the other categories, who are fearless yet friendly and keen for the adventure.

## The Amazons are calling!

In Ancient Greece, there was believed to be a race of female warriors who lived on the outer limits of the known world.

The Amazons were strong, warlike, courageous and a force to be reckoned with.

But the Amazon spirit is not lost.

It's in the wild women who seek adventure.

The tenacious athletes who push their minds and bodies beyond the limit.

The mothers who sacrifice.

The ladies who unapologetically dance to the beat of their own drum.

The spirited sisters who grow together.

The brave, willing to leap into the unknown.

To the fearless femmes.

We call you.

For the challenge of a lifetime.
